New Multi-Purpose Building Opened

A new Multi-Purpose Building in the north of the country was opened in November by local Government officials and 2 of the Caleb Directors. This building will provide a school with high quality education, initially for 100 children, in a poor rural village. It will also provide a facility for the pastor to connect with the local M... community. Over time it is planned for the school to expand and provide education up to Year 10. The construction of the building was made possible by a significant gift from one donor and we thank God for their generosity.

Caleb Catch-Up

Four Boys at the Orphanage are now in High School

The 12 boys are coming along really well, with all in the top half of their classes. Four of the boys are now in High School. Our Chairman, Warwick Lloyd, met with the Principal of their local school which provides education from Kindergarten to Year 10 and has over 1,000 students. The Principal was very complimentary about the boys' development and as well as their behaviour! We run a Youth Program for them every Friday night lead by the Youth Pastor from the nearby city. The Caleb Board would like to sincerely thank those who sponsor the boys throughout the year.

13th Annual Womens' Conference

Caleb Director, Jill Wallis, ran the 13th annual Women's Conference in the Senior Pastor's church. 80 women from that church and four of the surrounding churches met to study the Word, to encourage one another and to grow in knowledge and understanding together.

It has been a privilege to walk with these ladies over the years and see them grow in confidence and learning. Articulate women, with the ability to stand up with a microphone to report back on what they have studied. At lunch the ladies were served by the Pastors, definitely not the norm in their cultural environment.

Flood Relief

This year the country experienced the worst floods in forty years and it was a great blessing to be able to finance repairs in a number of areas and also to provide 200 families with food parcels of rice, dal and salt. These families from seven of our church areas, lost their homes, just some of the 100,000 people who lost everything.
