Supporting. Resourcing. Empowering.

Macarthur Anglican School Education Partnership

Macarthur Anglican School (MAS) has announced its partnership with Caleb in support of the Education programs. This is an enormous encouragement as MAS will provide financial support and plan to do on-site teacher training later this year. Each tutor group is raising funds for the project and in addition the prefects also have their own support program under way. Tim Cartwright, the MAS Dean of Students, has accepted a position on the Caleb Board. What a blessing this will be to our schools in Bangladesh and to MAS. We are very grateful.

Excellent School Results for the boys

All our boys and the daughter of our house parents were in the top 30% of their classes with 6 of the 13 in the top 10%. Aron, our oldest boy was dux of their K-10 school! Really encouraging and thanks to all our sponsors.

Matthew 24:14 "And this gospel of the kingdom will be preached in the whole world as a testimony to all nations."

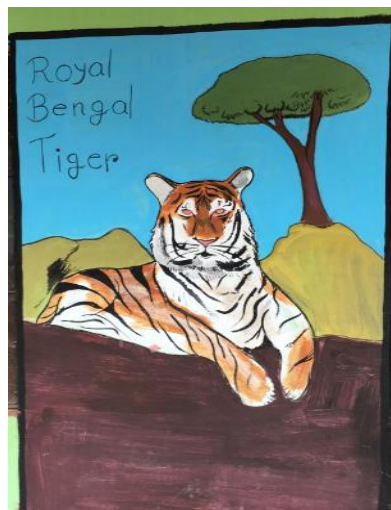

Savar School gets an Upgrade

Our school in Savar has received a facelift. Newly raised roofs have been constructed which channel the majority of water off the school site in the wet season and a new water filter has been installed to provide constant fresh water. A local community artist has graciously painted murals significantly enhancing the quadrangle. Now the renovation is complete, our next step is to re-turf the quadrangle.
